Abstract.

Procurement and Distribution - South Kanara district - Loss of Rs.91641-12-0 towards transport charges in 1944-45 - Recoupment by the S.K.C.C.W. Stores - Ordered - Temporary enhancement in the wholesale issue price - Instructions issued.

OFFICE OF THE BOARD OF REVENUE (CIVIL SUPPLIES) MADRAS.

Sri V. S. Hejmadi I.C.S.,
Commissioner of Civil Supplies.

Bd's Ref. No. 87744/50 - 7 C. S. Dated 16th April 1951.

Sub: Procurement and distribution - Foodgrains - S. Kanara district - Loss of Rs.91641-12-0 towards transport charges in 1944-45 - Recoupment by the S.K.C.C.W. Stores - Ordered - Temporary enhancement in the wholesale issue price - Instructions issued.

Read again : 1. Board's Ref. No. 40568/U.5/50 -3 CS, dated 12-8-50.
2. Bd's Ref. No. 40568/U5-50-13 CS dated 25-1-51.

Read also : 3. G.O. No. 283/Food and Agriculture dated 16-2-51.
4. From the Collector of South Kanara Ref. No. W.7. 20062/50 dated 19-3-51 and 2-4-51.

In the Board's References cited above, instructions were issued to the Collector of South Kanara to watch the recoupment by the S.K.C.C.W. Stores of an amount of Rs.102359-12-3 and Rs.1599-6-0 towards Sales Tax on that amount by increasing the wholesale issue price of rice. In their order third cited above, the Government have allowed the Stores to recoup a further amount of Rs.91641-12-0 being the loss incurred by the Stores towards transport charges in 1944-45. The Government have also suggested that recoupment may be done by increasing the Consumer's price by Re.0-8-0 to Re.1/- per mura of rice. In his report dated 19-3-51 cited, the Collector of South Kanara stated that the recoupment of the amount previously ordered had been completed with an excess collection of Rs.9149-8-0 and that in view of the orders in the G.O. third cited above, the President of the S.K.C.C. W. Stores was continuing the extra levy of Re.0-4-0 per maund (0-4-2 per mura of rice). In his report dated 2-4-51 the Collector has now stated that to effect the recoupment of the amount ordered in the G.O. third cited above, the rate of enhancement may be increased to 0-8-4 per mura of rice. The Board accepts the Collector's recommendation that this enhanced rate of 0-8-4 per mura will be adequate to effect the recoupment of the amount now sanctioned to the Stores, within a reasonable period and without putting up the consumer's price unduly and that the excess collection of Rs.9149-8-0 made by the Stores may be adjusted towards this recovery. The Collector of South Kanara is requested to allow the President of the S.K.C.C.W. Stores to collect the extra levy of 0-8-4 (i.e. 0-4-2 over the existing rate) per mura till the entire amount of Rs.91641-12-0 is recouped. He is requested to issue necessary instructions to the President of the S.K.C.C. W. Stores to adjust the excess collection of Rs.9149-8-0 already made by the Stores towards the recoupment sanctioned in the G.O. third cited and to continue the enhanced price till the amount of Rs.82492-4-0 (i.e, Rs.91641-12-0 minus 9149-8-0) is completely recovered by the Stores and to take steps to discontinue the extra levy as soon as this amount is fully recouped. He is also requested to submit as he is now doing, a monthly progress report to the Board showing the collection and the balance for each month.
